About NATAS Mid-America Chapter:

The National Academy of Television Arts and Sciences is dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy Award. For more information please visit www.emmymid-america.org

KCPT believes in the power of media on every platform and seeks to use that power to enrich, engage and entertain our viewers both on-air and online. We strive to advance conversations through community engagement and social media; explore complicated issues facing our region with ongoing reporting, investigative reports and informed discussions; and share the stories of people, places, and progress in our community.
