### Description: High School Intern from Minddrive

Scope of Participation: High School graduate Zanyell White from Minddrive. By engaging students in hands-on, mentor supported STEM related classes, MINDDRIVE has and continues to expand students’ vision for the future and support them to become contributing members of the community. During the 2014-15 program year MINDDRIVE expanded the program to offer evening classes and summer programming serving over 80 students annually. It is because of the generous support from corporations, foundations and individuals from the Kansas City community that MINDDRIVE has been able to grow and develop to the organization it is now.

### Description: High School Intern from Green Works

Scope of Participation: High School Student Gabrielle Morris from Green Works. Green Works programming is designed to be long-term and holistic. Our core programs include a first year environmental education program, and a second year workforce development program, followed by paid summer internships. Gabrielle is part of the Accelerate program. Accelerate helps students prepare for post-secondary education and the workforce. Students take skill and interest evaluations, develop a master resume and take part in soft skill training including money management. (Formerly called Green Future.) Students who complete ECOS and Accelerate earn a paid summer internships aligned to their interests, skills, abilities and career plans.
