

# How My Little Brother Turned into a Dog

Boom

Kindergarten 2019

One night, my brother was taking a bath. Luna, our dog, ran upstairs and shook her fur into the bath. Then, Luna spilled the dog soap.

BOOM

Joe turned into a dog!

I asked, "Is that Luna?" I saw it was too big to be Luna. I yelled,  
"JOOOOOE!" Joe barked.

I told my sister, and we ran to tell Mom and Daddy.

Mom and Daddy decided to keep Joe so Luna could play with him. We bought him a blue collar.

The next day, Joe went to Loose Park. A policeman came to bring his daughter to the park. The policeman saw Joe and his collar.

We called all the police officers we knew because we wanted to know where Joe went. The last one was the policeman who found him. He brought Joe home.

Joe was messy from going to Loose Park. We needed to give him a bath. I had an awesome idea!

I put human soap and a little rip of skin in the bathtub. Since dog stuff turned Joe into a dog, human stuff would turn him back.

Joe turned back! I was so happy my plan worked!

Joe doesn't like chew sticks anymore!
