

# ThetaCo JUNGLE

Once upon a time, in the Taco Jungle, a fierce girl named Ellie (that's totally not the one who wrote this story), is trying to save an important panda from the evil Pickle-man. Why is the panda so important, you ask? Well, he is the mayor of Taco Jungle! Pickle-man is also trying to use his pickle chemicals to mutate the jungle to all pickles! No more tacos! We MUST save the tacos!! Now that you got the back story, let's get to the cool fight parts...

Ellie swings into Pickle-man's evil lair! She lands on her feet. Pickle-man tries to shoot her with his pickle ray-gun.

Ellie backflips in front of him, and kicks him! He punches, and Ellie drops to the floor. She gets back up, and Pickle-man's army of cats attack! Ellie grabs her emergency yarn and throws it across the room to stall them!!

Time for a front flip, as she kicks Pickle-man to the ground! He throws a green smoke-bomb to sneak behind Ellie, and capture her!

Right after he locks her up, Ellie's trusty sidekick, Bobby, comes to the rescue! "What took you so long?!", yells Ellie. Bobby decides to tell Pickle-man his best joke to distract him while Ellie picks the lock to her cage.

The distraction works! Ellie and Bobby tie up Pickle-man, and are able to find out the location of Panda. "Let's go!", says Bobby.

They head to the pickle dungeon, and see Panda laying sadly in a pool of pickle juice. Once they free him, they bring Pickle-man to Taco Jungle's jail, where he stays forever!

(and eat tacos every day!)

Panda hosts a hero's ceremony for Ellie and Bobby. They receive a medal of honor!

The End...or is it?
