

The Adventures of Mr. Peanut

By: Johnny Vogtner

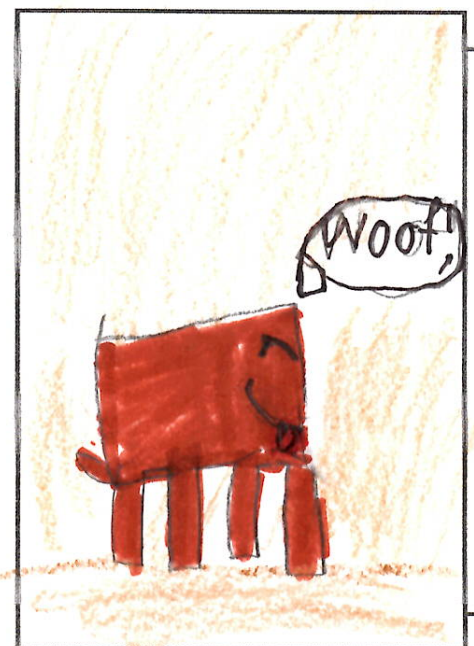

First Grade

2020

Once in a pantry, Mr. Peanut was playing with his friends, Oreo Dude and Captain Queso.

They were playing catch with a cheese ball.

Then, a boy named Oliver put a pecan in the pantry.

It was alive and it was EVIL!

His name was Dr. Pecan.

When he noticed he was in the pantry, Dr. Pecan shouted,
"Finally! I have waited so long to get in this pantry!"

He hopped into a bag of chips to make his plan to destroy the pantry.

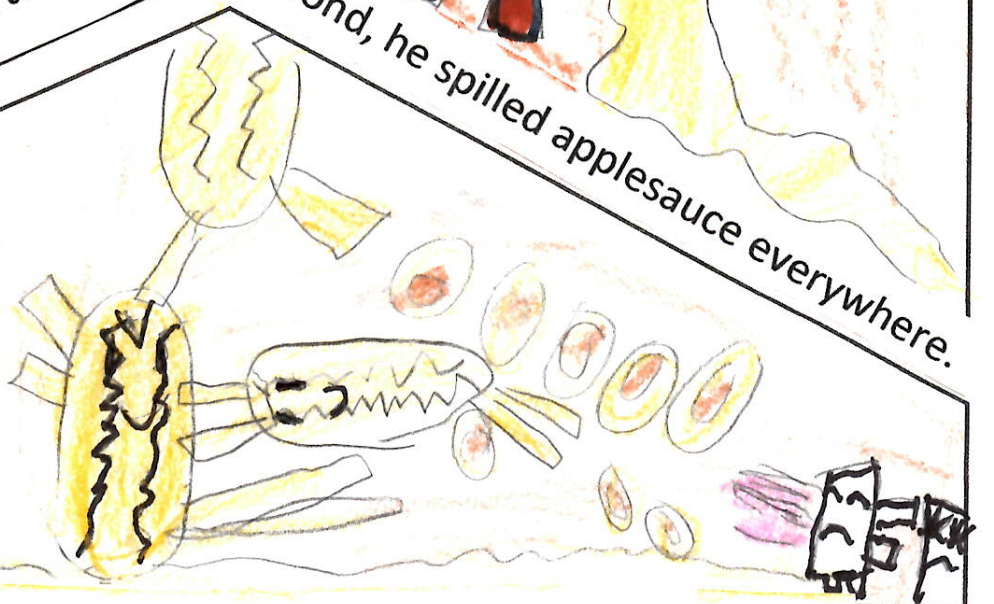

Ten minutes later, Dr. Pecan was destroying the pantry!

First, he threw mini bagels at the donuts.

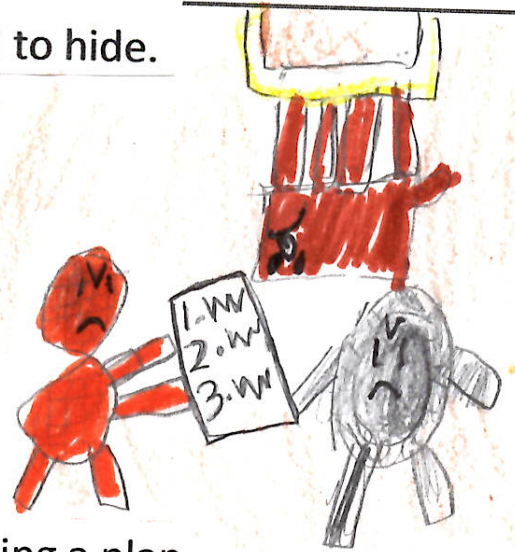

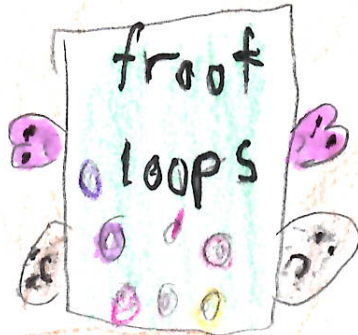

Second, he spilled applesauce everywhere.

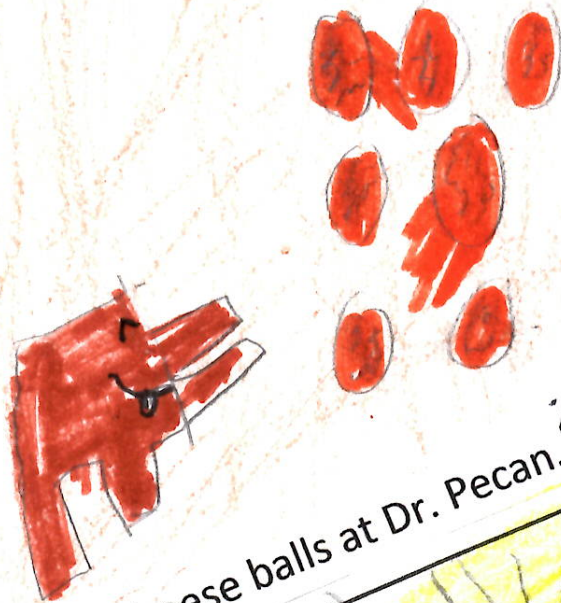

Third, the chips helped him kick Cheerios at the marshmallows.

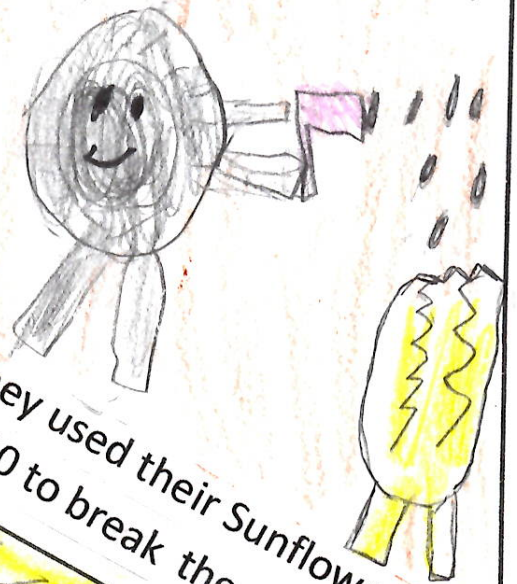

All of the food in the pantry had to hide.

Meanwhile, our heroes were making a plan.

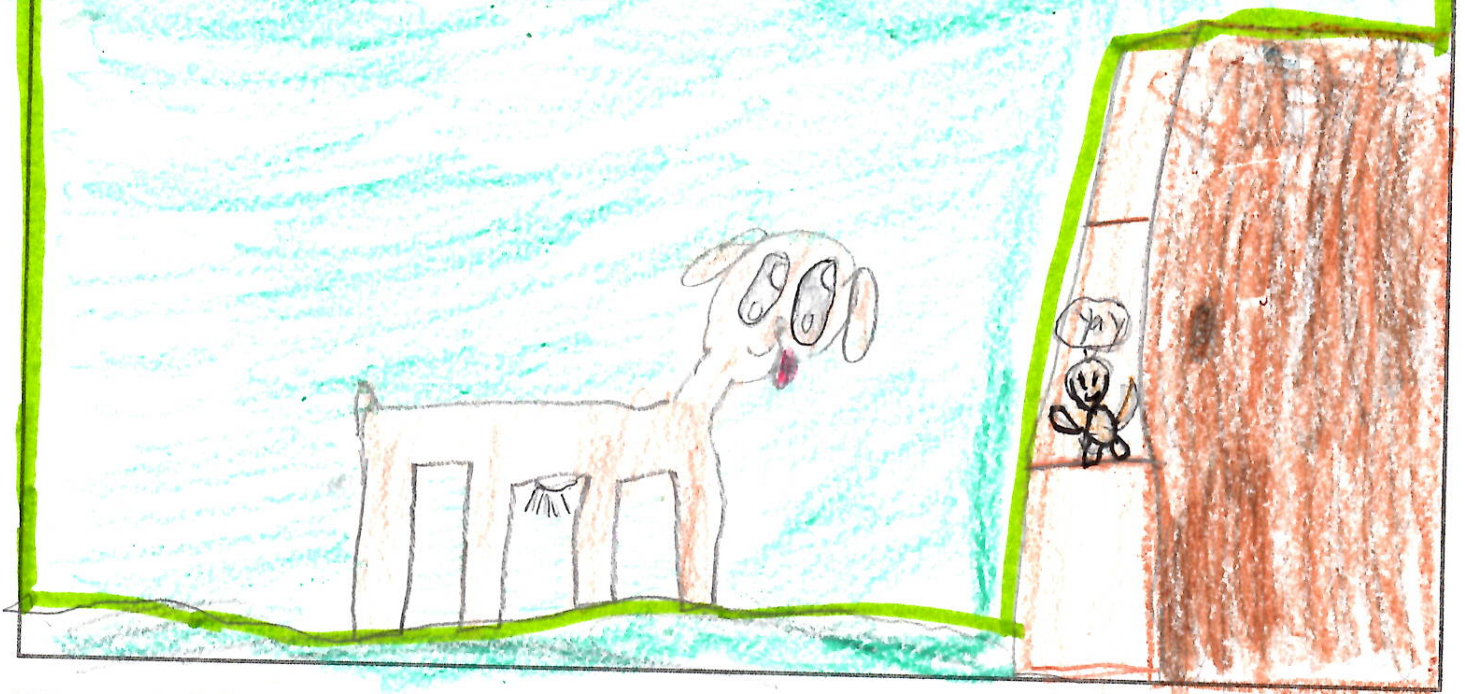

First, they fired cheese balls at Dr. Pecan.

Second, they used their Sunflower Seed Squirter 2000 to break the chips.

Third, they surrounded Dr. Pecan. Last, Mr. Peanut pushed Dr. Pecan out of the pantry.

Suddenly, a dog named Fluffy found Dr. Pecan and ate him.

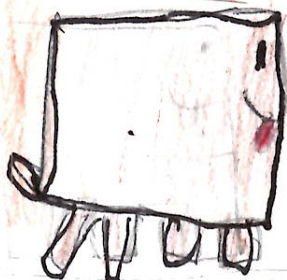

Mr. Peanut,

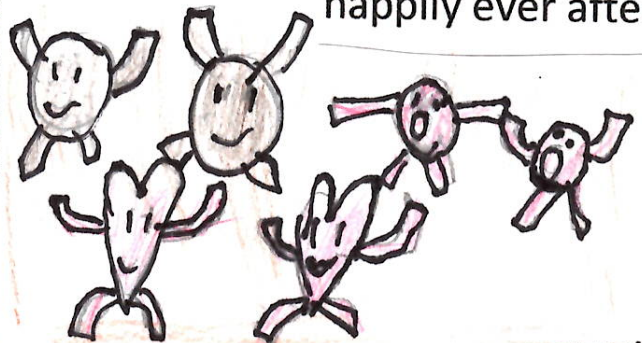

Oreo Dude,

Captain Queso,

and all of the food lived happily ever after.

THE END!
