

The DISCO Party Wig

By: Terrance King

Once upon a time, there was a man with a wig;
curly and yellow, clean and shiny.

Some people thought it was ugly, and some people
thought it was cool!

When he wears the wig, he dances like he's at a
Disco Party!

Everybody joins him.

A slack of fun!

All of a sudden... he falls!

Everybody is terrified!

And PANICS!

The people called **911!**

The emergency person at the hospital picked up the
phone, and passed out!!

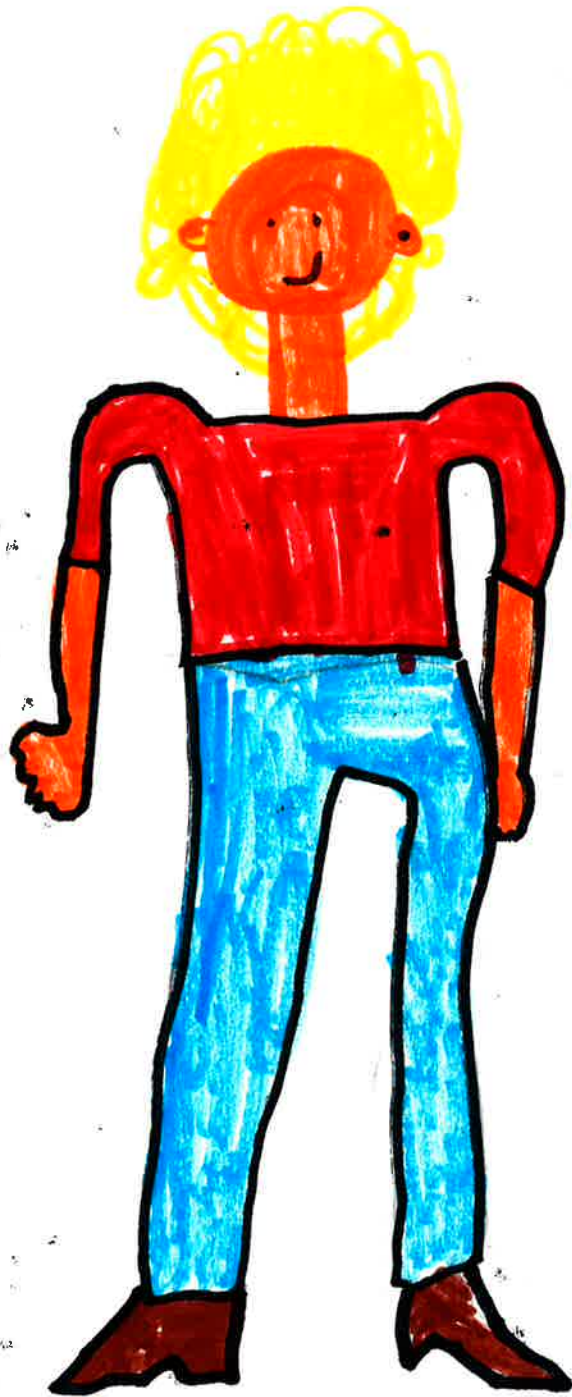

But the man with the wig just tricked everybody, and
got up. All the people started partying again.

The person that passed out on the phone, at the
hospital, heard the music and started dancing!

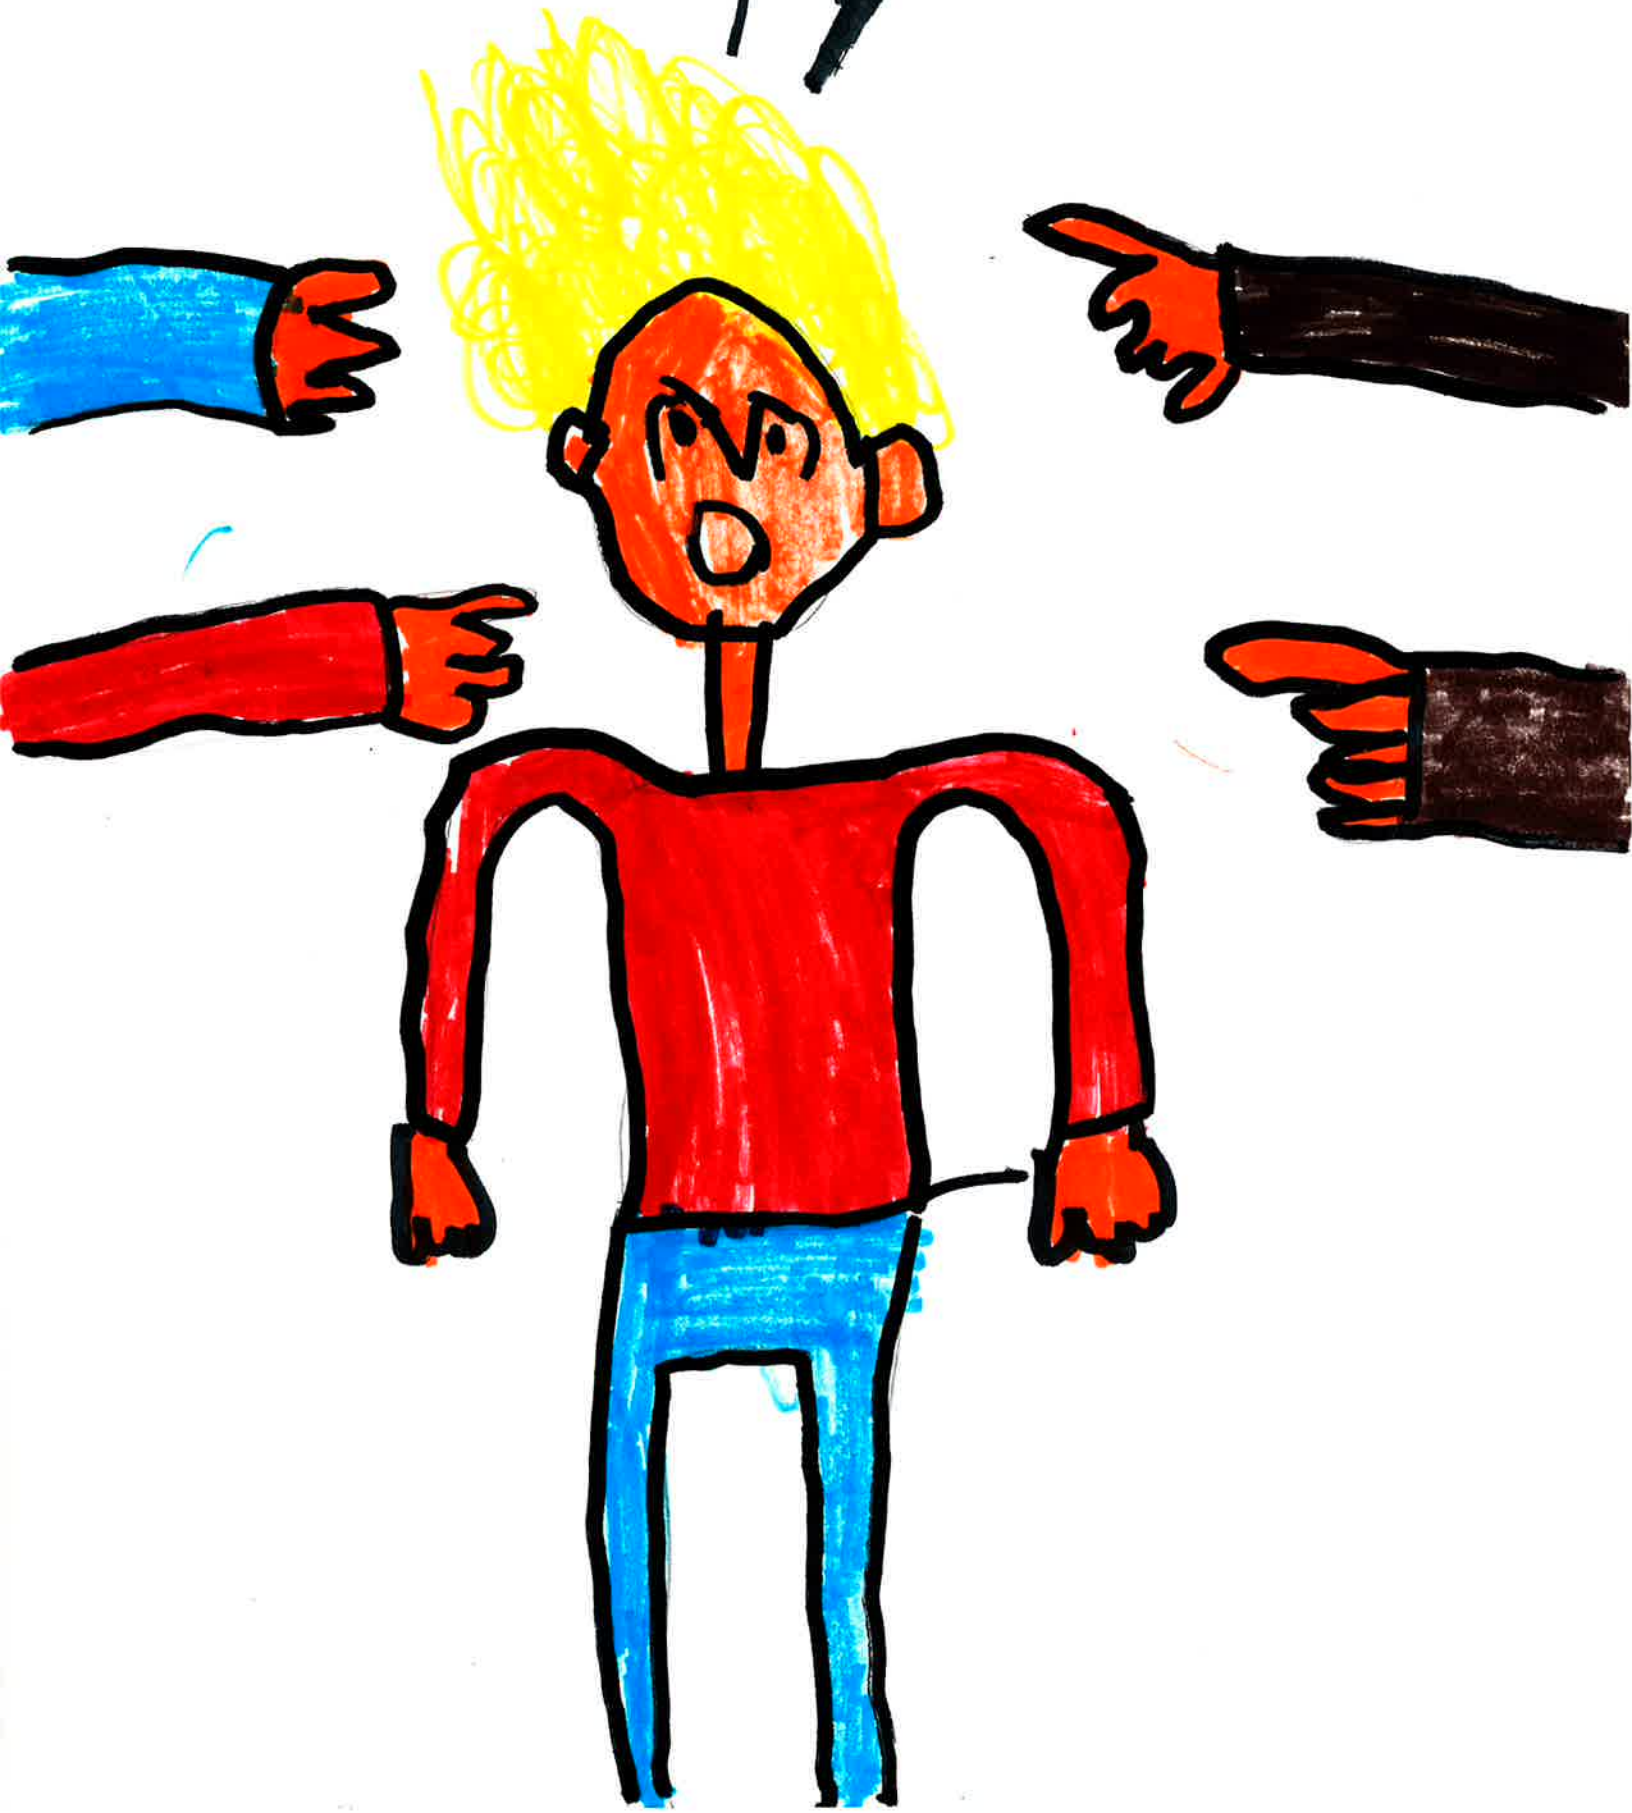

Everybody is dancing now.

Disco all night long!
